

## Car Boot Bargains

Sally Goymer, Cheltenham, Gloucestershire

You can get anything at the car boot if you wait long enough, even things you didn't know you wanted. Today I saw this contraption and although I didn't know it existed, I immediately knew what it was for.

As you can see I've already started using it and it works really well. My twiggy compost has turned into what looks like black bread crumbs in a fraction of the time it used to take with a sieve and without all the hard work, £8 well spent. Anyone local who would like to borrow it for a weekend is most welcome.

PS. I also got a caged bird feeder for £3, cheapest price was £8 from Wilco, now £12 to £17 elsewhere, and 7 big Williams pears for £1. One hour well spent on a Sunday morning in Cheltenham
